

MPI_Scatter

Un processus envoie des messages aux autres

```
sendcnt = 1;
```

```
recvcnt = 1;
```

```
src = 1;
```

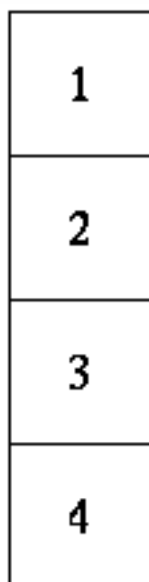

```
MPI_Scatter(sendbuf, sendcnt, MPI_INT,  
            recvbuf, recvcnt, MPI_INT,  
            src, MPI_COMM_WORLD);
```
